

INTERNATIONAL LUTHERAN STUDENT CENTRE

Licence Agreement, Information for Residents & Terms & Conditions of Residence

2016-17

Welcome to the International Lutheran Student Centre (ILSC)

The two houses of the ILSC are named in honour of influential persons in the history of the Lutheran community in this country. The Thanet Street part of the building is **Martens House**, after Gerhard Martens, who was the first Lutheran pastor in Britain, arriving from Germany in 1668 and working under the supervision of the King of Sweden. The Sandwich Street part is **Eding House**, to commemorate Edvin Eding, a refugee from Estonia who was the first warden of the International Lutheran Student Centre. He retired after 24 years of service in 1990 and died in 1999. The Centre was built during his period as warden.

The Centre is a residence for students from many countries who wish to live with people of different cultures, nationalities, religions and convictions. We believe that by living together here in mutual respect, we help to develop good relationships between peoples and countries, which may have a beneficial effect far beyond our doors. It is a very small community where occasional conflicts will naturally arise and we expect residents to make every attempt to sort out differences amongst themselves, before asking staff to intervene, and to be willing to compromise for the sake of harmony within the Centre.

You need to be aware that the Centre is a community in which the residents share common facilities, are expected to respect the reasonable needs of others, provide most of their own catering and clean up after themselves. While the Centre's staff do clean rooms and other areas on a regular basis, this is a support service and is not intended to replace the responsibility of residents to keep their rooms and common areas clean and tidy.

Every resident is expected to read the following information and to observe the rules that are explained in the following pages.

3. THE AUGUSTANA CENTRE

The Augustana Centre is located in the basement of Eding House, occupying the Chapel, Club Room and Syndicate Room. It is a venue for conferences, meetings, training, retreats and interviews for people from outside the Centre. When The Augustana Centre signs are up, this will mean these rooms and maybe the Games Room are in use. We may, occasionally, look for some residents to be our conference hosting staff or furniture arrangers (see also section 45, 'Working at the Centre'), so do look out for notices.

4. THE OFFICE

4.1 The office is open between 8.30am and 5pm from Monday to Friday. On Saturdays it is open from 8.30am to 11.30am. The office is closed on Sundays/public holidays. All payments for accommodation and any enquiries should be made during office opening hours.

4.2 **If you have difficulty reaching the office during office hours, please put requests for laundry tokens, guest bookings etc. through the letterbox in the office door, together with the money (or e-mail us at ilsc@lutheran.org.uk). We will deal with your request as soon as the office opens and leave any receipts etc. in your mail box.**

4.3 In the event of an emergency outside office hours, a trained Duty Officer is available at the Centre at all times. Their whereabouts will be posted on the office door. They will only deal with emergencies and you will be fined by the Centre for the time spent by Duty Officers on non-emergency calls, if you continually make inappropriate calls.

5. LOCAL AMENITIES

5.1 Locally there are plenty of amenities, all of which are only a few minutes away. The majority of local shops can be found on Marchmont Street (turn right out of the front door, then first right into Leigh Street, first left into Marchmont Street and walk straight ahead, crossing over at the lights). The Brunswick, a shopping centre with a supermarket (Waitrose) as well as other shops and restaurants can also be found in Marchmont Street.

5.2 There are lots of shops and places to eat in St Pancras International Station and King's Cross Station. Another supermarket (Tesco) can be found in Caledonian Road near King's Cross station. There is a large Sainsbury's supermarket in Camden Town.

MAIN TERMS

6. TERMS OF RESIDENCE

6.1 These are on the Licence Agreement (the first page inside this booklet) and this booklet. If you require new copies, please ask at the office. Please note that all periods of long-term residence re-start on 1 October and last only for that academic year. The Centre may change the provision of services or facilities due to strikes, power failure or for any operational reasons and may, in exceptional circumstances, move the resident to alternative accommodation.

6.2 If a resident's behaviour is seriously disruptive or unacceptable then they may be asked to leave (please see section 13.6 on 'Early Termination').

7. DOCUMENTATION

You will be asked to produce original copies of your passport, university offer letter/registration and scholarship papers on arrival or if the office is closed upon your arrival, as soon as the office reopens following your arrival. If documents are found to be false you will be asked to leave with immediate effect.

8. PAYMENT OF LICENCE FEE

8.1 We do not usually send out reminders for rent. Non or late payment may lead to an interest charge (2% above the base rate of HSBC) or termination of residency.

8.2 We require long-term residents to pay their licence fee by standing order from the bank. Please ask at the office if you require our bank details. If you are unable to pay by this method you should speak to the Finance Officer to make alternative arrangements.

8.3 In order to cover what the bank charges the Centre, we charge 2.5% of the transaction value if you pay by credit card, cash card or any foreign card (this is subject to change if the fees the bank charge to the Centre increases). There is no charge to pay using a UK debit card; however there is a £20 minimum if you wish to use this method.

8.4 The Centre may increase the licence fee at its own discretion. If the Centre intends to increase the licence fee it will give you at least 6 weeks' written notice, which will be delivered to your mailbox at the Centre. Please note that fees change on 1 September each year. (Even if you are leaving sometime in September 2017 you will be liable for the new rate from 1 September 2017.)

8.5 If you apply for, and are offered, a longer period of stay whilst you are resident then any decrease in rate will take effect from the day you are made an offer of an extended term, it will not be applied retrospectively.

8.6 For Long-Term stays (three months or longer):

8.6.1 You must pay your licence fee one month in advance, on the first of every month.

8.6.2 To secure your booking, you will be asked to pay a booking fee equal to one month's licence fee before the start of the contract. At the beginning of your stay the booking fee will be used as your first month's licence fee. You will also be asked to pay a security deposit equivalent to one month's licence fee, or for existing residents to top-up any deposit already held by the Centre to the required level.

8.6.3 This security deposit may be applied against any licence fee arrears or against the cost of repairing any damage done to our property, or replacement of any property, and any balance will be refunded to you when you leave and your contract comes to an end. Please note that if you are **leaving outside office hours** your security deposit will be refunded to you by credit/debit card or paid into your British bank account. It will not be possible to return your security deposit by cheque, cash or bank transfer to a foreign bank account.

8.6.4 Once you have confirmed acceptance of your offer and secured your booking by payment of your booking fee you must give 4 weeks' notice of any change in your arrival date (which must be no later than 14 days after your original arrival date) or remain responsible for payment of licence fees

- from the date you originally accepted. Agreement to any postponement of more than 14 days will be entirely at the Centre's discretion.
- 8.6.5 If you cancel your booking on less than 4 weeks' notice your booking fee will not be refunded.
- 8.6.6 We may cancel your booking if you have not arrived within 7 days of your agreed arrival date and whether your booking fee will be refunded is at the Centre's absolute discretion.
- 8.7 For Short-Term stays (two weeks or longer, but under three months):
- 8.7.1 You will be asked to pay a booking fee equal to one week's licence fee before the start of your stay. If you cancel your booking less than one month prior to arrival, this booking fee will not be refunded.
- 8.7.2 Upon arrival your booking fee will be used as your first week's licence fee and you will also be asked to pay a security deposit equivalent to one week's licence fee. At the end of your stay, the deposit may be applied against any licence fee arrears or the cost of repairing any damage done to our property, or replacement of any property, and any balance will be refunded to you when you leave and your contract comes to an end. Please note that if you are **leaving outside office hours** you will need to have your security deposit returned by credit/debit card or paid into a British bank account. It will not be possible to return your security deposit by cheque, cash or bank transfer to a foreign bank account.
- 8.7.3 If you wish to postpone your arrival date you must give 7 days' written notice of your new arrival date (which must be no later than 7 days after your original arrival date) or remain responsible for payments of the licence fee from the date you originally accepted. If we cannot accommodate your proposed new dates then your booking will be cancelled and the booking fee will not be refunded as we will have held a room for you.
- 8.7.4 We may cancel your booking if you have not arrived within 7 days of your agreed arrival date and the booking fee will not be refunded as we will have held a room for you.
- 8.7.5 If you wish to end your stay before the date given in your application form, you must give 7 days' written notice to the Centre Manager. If you do not give the required notice, you will be liable for the licence fee for the period for which the notice was not given.
- 8.7.6 Short-term residents wishing to pay by cheque should check with the office that there will be sufficient time for their cheque to clear before they leave. If there will not be sufficient time, payment will be requested by an alternative method.
- 8.7.7 You must pay your licence fee one week in advance.
- 8.8 For Holiday Lettings (under two weeks):
- 8.8.1 To secure the booking, you will be asked to pay a booking fee equal to two days' licence fee before the start of your stay. If you cancel your booking, this booking fee is not refundable. Any additional payments you have made (except for bank card charges), over and above the booking fee, will be refunded. However, please note that we can only refund in cash, by bank transfer to a UK bank account or by credit/debit card. We cannot refund to a foreign bank account.

- 8.8.2 Upon arrival your booking fee will be used as your first two days' licence fee and you will be asked to pay for the remainder of your stay in advance. You will have to pay a security deposit of £50 (or £75 for a twin room). Please note that cheques are not accepted for Holiday Lettings.
- 8.8.3 At the end of your stay, the deposit may be applied against any licence fee owed to us or the cost of repairing any damage done to our property, or replacement of any property, and any balance will be refunded to you. Please note that if you are **leaving outside office hours** you will need to have your security deposit returned by credit/debit card or paid into a British bank account. It will not be possible to return your security deposit by cheque, cash or bank transfer to a foreign bank account.
- 8.8.4 If you wish to postpone your arrival date you need to give 7 days' written notice or remain responsible for the licence fees for the whole of your stay from the original date. You must stay for the same number of nights you originally booked for. If we cannot accommodate your proposed new dates then your booking will be cancelled. Your original payment will not be refunded as we will have held a room for you.
- 8.8.5 If you wish to end your stay before the date given in your application form, you must give 7 days' written notice to the Centre Manager. If you do not give the required notice, you will be liable for the licence fee for the period for which the notice was not given
- 8.8.6 We may cancel your booking if you have not arrived within 2 days of your agreed arrival date and the booking fee will not be refunded as we will have held a room for you.

9. **STUDY BEDROOMS**

- 9.1 Residents are expected to keep their rooms reasonably tidy. Cleaners will enter the room on Wednesday to vacuum the carpet, dust clear surfaces and empty bins. Approximately every ten weeks the window cleaner will enter your room, and you will be notified of the date. Please assist the cleaner and window cleaner by removing all items from the floor and generally clearing surfaces, especially your desk. You must provide access to the cleaners and window cleaner. All requests for cleaners and/or the window cleaner not to enter the rooms will be ignored. However you do have a right to ask anyone requesting access to your room to identify themselves with appropriate ID. If you are unwell on a Wednesday, or there is another exceptional circumstance, then please inform the Housekeeping Manager by 9.30am. If you wish to regularly clean your room yourself then you can request this by checking with the Housekeeping Manager, who will assess each request individually.
- 9.2 Study bedroom spot check inspections may be carried out each term. If a room is found to be in an unacceptable condition the resident will be given 24 hours' notice to clean it. If this is not carried out we will automatically request that housekeeping clean your room without further notice. A charge of £20 per hour will be made.
- 9.3 Please unplug hairdryers and mobile phone chargers when not in use as they pose a fire hazard, even when plugged in and switched off.
- 9.4 You are not permitted to remove furniture from your room without the prior permission of the Maintenance Manager.

- 9.5 If you have any personal items of furniture in your room then these must be removed from the building when you leave and not passed on to other residents.
- 9.6 If you do not wish for your room to be shown to prospective residents then please register this at the office and we will try to keep this in mind.
- 9.7 You are not permitted to keep any animal without the prior written consent of the Centre Manager.
- 9.8 This Licence Agreement is granted to you only and you are not permitted to sublet or to transfer the room to another person under any circumstances and may only share occupation as permitted in the section 15 'Guests'.

10. **ROOM ALLOCATION**

- 10.1 We remind residents that your licence with the Centre guarantees you a room but not a specific room. The management makes every effort to allocate rooms as requested. However, for operational reasons, it may be necessary to request that residents move or take another room. This is not done lightly and, except in an emergency, notice will be given.
- 10.2 If you wish to change rooms, this can be done, subject to availability. However, there will be a £10 charge to cover the administrative costs and room cleaning. You will be required to vacate your room by 10am on the day of departure and take your bedding and towel with you to your new room. Failure to vacate your original room by 10am will make you liable for an extra day's licence fee. We reserve the right to charge all costs incurred by the Centre due to your late departure, e.g. paying for alternative accommodation for the next resident; an extra days work for contractors whose work is delayed by your late departure from the room.
- 10.3 In the case of twin rooms where one resident leaves and the other requires a single room, we can only offer this subject to availability. If no single room is available then the sole remaining resident remains responsible for the licence fee of the twin room.

11. **HOLIDAY ARRANGEMENTS**

- 11.1 Anyone who is resident before 31 January in any one year and accepted to stay for the following academic year may take a rent free holiday of up to 4 weeks between 1 May and 30 September, provided that they:
- give at least six weeks' notice of departure (via the Notice of Departure form, which is available from the office); and
 - completely vacate their rooms.
- 11.2 If they stay for less than 3 months after their return, they will be charged Short-Term rates for that return period.
- 11.3 If residents give the office less than six weeks' notice of departure they will have to pay accommodation charges for the minimum notice period, i.e. in lieu of notice.

12. **VACATING ROOMS**

- 12.1 When vacating their rooms, residents must ensure that their room and kitchen storage (including fridge and freezer) are empty of all personal possessions and cleaned for the next person. Failure

to do this will mean that the resident will be charged cleaning costs of £20 per hour. For those going on holiday, this will mean that they will be charged rent on the room during their entire period of absence. For those vacating completely, a charge may be taken from the security deposit. Limited storage facilities may be available (see section 32 on 'Luggage Storage').

- 12.2 You must ensure that all your belongings are removed from your room and from all storage areas, and that rubbish is disposed of. Anything that is left behind, except with the prior written agreement of the Centre Manager, will be disposed of.
- 12.3 **Please do not dump unwanted clothes/shoes in the Bin Store, Laundry, Lobby or Garage.** You may advertise unwanted items of clothing on the notice-board by placing a sign describing the items and stating their size. You may also take them in plastic bags to the Oxfam bins in Russell Square and Byng Place (just before Waterstones). If you have electrical items to dispose of you may take them to the small electricals recycling bin in Russell Square or contact 123recycleforfree.com (0800 085 1050) to ask for a collection
- 12.4 Please inform your friends, family, bank, place of study etc. of your new address. The Centre will only forward your post for one month after departure (provided you give us a forwarding address). Thereafter any post received for you will be returned to sender. We are not able to leave your post with another resident.
- 12.5 Please remember to return your keys and swipe card to the office and, if appropriate, collect any deposit that is owed to you. Lost keys will be charged at £15 each, except for the front door key which will be charged at £20. Lost swipe cards will be charged at £5 each.

13. **END OF RESIDENCE**

- 13.1 The academic year is deemed to run from 1 October 2016 to 10 September 2017. Your date of departure will be taken as the date given on your offer letter. Those wishing to extend their stay should contact the office as rooms thought to be vacant may be re-let.
- 13.2 Those wishing to leave earlier than the departure date given in their offer letter are required to give the office at least 6 weeks' written notice (via the Notice of Departure form) of the intended date of final departure. If you do not, you will be required to pay the licence fees for the minimum notice period i.e. in lieu of notice.
- 13.3 If you are accepted as a long-term resident for a particular academic year and you leave before completing three months' residence (from 1 October or your actual date of arrival if this is later than the start of the academic year) you will be charged the Short-Term stay rates. All other terms, except for the increase in licence fee, shall remain as set out in your licence agreement.
- 13.4 Except for those residents who, in exceptional circumstances, extend their stay into the new academic year, each academic year starts afresh on 1 October.
- 13.5 On the day of your departure, your room will be checked by a member of staff. Your deposit may be applied against any licence fee arrears or the cost of repairing any damage done to our property, or replacement of any property.
- 13.6 **Early termination: You may end the Licence Agreement on six weeks' notice to us by giving written notice to the Centre Manager (via the Notice of Departure form). If you do not**

- give this notice, you will be liable for the licence fee for the period for which the notice was not given.
- 13.7 **We may also end the Licence Agreement on six weeks' notice to you by delivering written notice to your room.**
- 13.8 **If you seriously or continually breach the terms of this Licence Agreement, we may end the Licence Agreement on one week's notice to you by delivering written notice to your room.**
- 13.9 **If you commit an illegal act or are verbally abusive or physically violent towards the Centre staff or another resident, we may end the Licence Agreement on 24 hours' notice to you by delivering written notice to your room.**
- 13.10 **Refund of deposit:** We will not refund your security deposit early, or use it for your licence fee. Your security deposit will only be returned once your room has been checked and your keys/swipe card have been returned to us.
- 13.11 You must allow staff to check your room 24 hours before departure in case there is a need to discuss deductions from your security deposit. If access is not given then you will be liable for any bank charges incurred in returning your security deposit after departure. Your room will also be checked on departure (or when the office is next open, should you depart when it is closed). **You are expected to vacate your room by 10am on the day of departure. Failure to vacate your room by 10am, unless you obtain the Centre Manager's permission, will make you liable for an extra day's charge without the right of occupancy. We reserve the right to charge all costs incurred by the Centre due to your late departure, e.g. paying for alternative accommodation for the next resident; an extra days work for contractors whose work is delayed by your late departure from the room.**
- 13.12 If you are intending to leave before the office opens, please ensure that you notify the office during office hours, well in advance, as you will need to arrange for your deposit to be returned by transfer to a UK bank account or by credit/debit card.
- 13.13 Card refunds can only be made to those who have previously made a payment by debit/credit card.
- 13.14 Holiday lets or Short-Term residents will have their deposits refunded on departure in cash or by credit card (if applicable). (Cash refunds are only possible during office hours.)
- 13.15 Long-term residents should indicate on the Notice of Departure form how they wish their deposit to be returned after their final departure from the Centre (cash refunds are only possible during office hours). **If you are accepted as a long-term resident and you leave before completing three months' residence (from 1 October or your actual date of arrival if this is later than the start of the academic year) you will be charged the rate for Short-Term stays.** You may end the licence agreement on six weeks' notice to us by giving written notice to the Centre Manager (via the Notice of Departure form). If you do not give this notice, you will be liable for the licence fee for the period for which notice was not given. If you have given notice and your period of stay becomes less than 3 months all other terms, except for the increase in licence fee, remain as set out in your licence agreement.

14. LONG-TERM RESIDENCE BEYOND ONE ACADEMIC YEAR

You must apply by mid-May if you wish to be considered for continuation of residence at the Centre for the following academic year. The application will be available on the website from late April/early May and the selection panel will consider those applications by the end of May. Continuation of residence cannot be guaranteed.

RULES

15. GUESTS

15.1 All guests must be met personally at the front door by the host resident and **signed in at reception. The host residents should stay with their guest(s) at all times. Guests should be escorted to the front door when they leave, remembering to sign out.** Guests should not use common areas by themselves as residents have priority. The host resident is responsible for the behaviour of their guests, whilst those guests are on the Centre's premises. This includes their safety should there be a need to evacuate the building in the event of a fire or other alarm. Details of fire exits are available in each room. Host residents should also ensure that their guests comply with the Centre's regulations, e.g. no smoking, no drugs on the premises, health and safety, security etc. Please note that if your guests cause damage you may be charged. If they are noisy or disruptive they may be asked to leave by the Duty Officer.

15.2 Overnight guests: If you wish to have an overnight guest, you must ask for permission from the office during office hours (as only one guest per floor can stay overnight at any one time), giving the name of your guest and pay for their stay on booking. Long-term residents are charged a minimum of £6.00 per day for their guests (for which a mattress and breakfast will be supplied). This charge applies even if the guest does not require a mattress or breakfast. For those requiring a towel and bed linen as well, the charge is £7.50 per day. The mattress (plus towel and bed linen, if booked) will be delivered to your room by Housekeeping on your guest's arrival date.

15.3 *Apart from long-term residents, only short-term residents who stay for more than four weeks are allowed overnight guests.* In these cases, the respective charges are £9.50 and £12.00 per day, inclusive of breakfast. Visitors found on the premises after midnight will be deemed to be staying overnight and charged £6.00 or £9.50 (as applicable). To be fair to other residents who pay for their guests anyone found with an overnight guest that they did not book in will be fined £50 on top of being required to pay the appropriate guest fee. Stays of overnight guests are limited to 4 nights during term-time and 7 nights during vacations. **Please return your guest's bed linen, towel and mattress to reception by 10am on the day of your guest's departure.**

15.4 If a resident is absent from his/her room at any time during the Licence Term, a resident may, subject always to the written approval of the Centre Manager, permit a guest to occupy their room for no more than two weeks provided that the resident signs the permission form available from the office and such guest agrees to occupy the room on the terms of this Licence Agreement with such occupation being subject to the Centre Manager's right to move the guest or terminate its licence on not less than seven day's written notice.

16. HEATING & LIGHTING: CONSERVATION

Please conserve energy. Turn radiators down (using the thermostat on the radiator). When it is cold outside, please do not leave windows open. It is suggested that, if rooms need airing, this is

only done while you are at breakfast. Please TURN OFF lights and other electrical devices when not in use. Even standby uses electricity.

17. HEALTH & SAFETY

17.1 It is the responsibility of all residents to comply fully with the safety requirements of the Centre. You may not tamper with, or attempt to cover, smoke detectors. The doors at either end of your corridor must not be propped open. They are fire doors and must be kept shut when people are not passing through them. All fire extinguishers must be stored on the wall brackets that are provided for them. **Tampering with safety equipment at the Centre will be treated as serious misconduct and you may be asked to leave by ending your licence on one week's notice** (please see section 13.6 on 'Early Termination').

17.2 Fire extinguishers are not to be used as doorstops or for any other purpose. No items whatsoever may be stored on any staircase or corridor. This includes both the main staircases and the back staircases. Anything found in those places will be disposed of immediately. The stairs are primary fire exits and, according to the law, must be free from any obstructions.

17.3 **Please ensure your windows are secured when open. Failure to do so means the windows can slam when there is a gust of wind and the window could fall into the courtyard or street where they can seriously injure passers-by. If you open your window without securing it you may be liable for any costs in replacing the window and even injunctive damages.**

17.4 Leaving any electrical appliance on may cause a fire. Please turn off all computers, televisions, stereos and similar appliances (plus the iron in the Laundry) each time you vacate. Please unplug hairdryers and mobile phone chargers when not in use as they pose a fire hazard, even when plugged in and switched off.

17.5 **It is forbidden to use candles and incense.**

17.6 We are phasing in energy-saving light bulbs. Please do not change or dispose of these yourselves. You can arrange for them to be changed by leaving a note in the Maintenance Book which is kept in the office.

17.7 The Health & Safety Officer of the Centre is the Maintenance Manager, to whom queries may be addressed and who may issue further guidance and instructions. **Residents who do not observe health and safety requirements may be asked to leave the Centre on one week's notice** (please see section 13.6 on 'Early Termination').

17.8 It is forbidden to use electronic cigarettes within the Centre nor on the Terrace or in the Courtyard.

18. KITCHENS

18.1 The cleanliness of all kitchen utensils, worktops, cookers, microwaves, fridges & freezers is the responsibility of the resident who uses them. **Please clean up after yourself. It is not the responsibility of the cleaners to clean up, wash and/or wipe up dishes.** The Housekeeping & Catering Manager will inspect kitchens regularly. Residents whose kitchen fails an inspection will be warned and given a short time in which to improve the state of their kitchen. If the kitchen fails its next inspection then the residents of that floor may be fined.

- 18.2 Ensure that gas burners are turned off when not in use. When you are cooking, ensure that the extraction fan is turned on, and turned off when you leave. Residents are reminded that kettles are for boiling water and no other liquid.
- 18.3 Please ensure that you wrap or contain raw meat/fish in the fridge so that it cannot drip onto other food. If you think that your food may have been contaminated by other food then dispose of it.
- 18.4 Please note that any food left out in the kitchen will be disposed of. This is because it can attract pests and also items left out on surfaces make it difficult for the housekeeping staff to clean.
- 18.5 Personal items left in the kitchen, and not placed in the cupboards, fridge or freezer, will be disposed of regularly.
- 18.6 The kitchen is fitted with a heat detector. There is a smoke detector in the corridor. Both are linked to the fire alarm system. If you create smoke in the kitchen (burning toast etc.), please do not open the kitchen door as the fire alarm will be set off as the smoke reaches the smoke detector. You should keep the kitchen door CLOSED and open the windows to get rid of the smoke. (If there was to be a fire in the kitchen the fire alarm would be set off by the heat detector.)

20. **PERSONAL TELEVISIONS**

You need to be covered by a valid TV Licence if you watch or record TV as it is being broadcast. This includes the use of devices such as a computer, laptop, mobile phone or DVD/video recorder. You can purchase a licence at shops operating the Pay Point scheme (these include SuperSave Food & Wine, 1 Medway Court, Leigh Street, WC1H 9QX and Shopper's News, 41 Marchmont Street, WC1N 1AP) or visit www.tvlicensing.co.uk.

21. **INTERNET**

- 21.1 Each resident is provided with an up to 12Mbps symmetric internet connection (12Mbps upload and 12Mbps download) from Keycom. Upgrades are available for any resident to purchase directly from Keycom. The cost per year (from 1 September 2016 to 31 August 2017) is displayed when you register. There are special short-term upgrade rates for summer 2017. Each room has a wireless media hub to which you may connect up to 10 devices. You are not permitted to plug in your own wireless device as it may interfere with the Keycom system. If you prefer a cabled service and do not have your own cable then you may purchase one at the office for £4.50. Keycom will disable access to any device infected with malware. Full terms & conditions available from Keycom.

21.2 To get started (and purchase upgrades if required) open your web browser and click on 'Create Account' on the Keycom page. To use our internet you must agree to the Acceptable Use Policy on the login page.

22. **NOISE**

22.1 Please keep all noise (music, TV, conversation, Skype calls etc.) to a minimum after 11pm. Before 11pm noise should also be kept to a reasonable level in any part of the building. Please especially make sure that the kitchen door and windows are kept closed after 11pm as noise carries easily along the corridor and to the outside of the building.

22.2 Musicians are kindly requested to practice in the Club Room and not in the Chapel, Games Room or study bedrooms. You may use the piano in the Club Room. **Please do not practice after 9pm.**

22.3 When you are outside on the terrace or courtyard, please make a special effort to keep the noise down. It is very easy to disturb other residents and neighbours as the proximity of the buildings amplifies sound.

22.4 You may be charged if a staff member is called out to deal with a noise situation.

22.5 If we receive a significant number of complaints about your noise level we will raise this with you and ask you to improve this. If you continue to create unreasonable noise, for the sake of other residents we may either move you to a different room or ask you to leave by ending your licence on one week's notice (please see section 13.6 on 'Early Termination').

23. **NO SMOKING**

The Centre is an entirely non-smoking house and smoking is not permitted in any part of the building nor on the Terrace or in the Courtyard. **It is illegal to smoke in the building and you will be fined if you are found smoking on the premises.** Residents are also not permitted to use electronic cigarettes in any part of the building, on the Terrace or in the Courtyard. Residents who wish to smoke outside the building are asked to ensure that cigarette ends are picked up and disposed of and not left on the street. There will be a £50 charge levied for smoking on the terrace, in the courtyard or inside the building. If you or any guest of yours smokes in your study bedroom there will be a charge to cover the cost of re-decorating and re-carpeting your room.

24. **ILLEGAL SUBSTANCES**

The possession or use of illegal drugs and solvent abuse are prohibited in the ILSC buildings and property. Residents who use illegal drugs or abuse solvents may be asked to leave the Centre on 24 hours' notice (please see section 13.6 on 'Early Termination').

25. **ELECTRICAL APPLIANCES**

No heating, cooling, cooking (including rice cookers) or food storage electrical equipment is permitted in your room or elsewhere in the building except in extraordinary circumstances with prior consent from the Centre Manager. If in doubt, enquire at the office. You must have any appliances you use tested, before you use them in the building.

26. **INSURANCE**

You are strongly advised to obtain your own insurance to meet your needs. The Centre is not responsible for valuables and is unable to insure residents' belongings.

27. **DISCIPLINARY**

27.1 Any resident whose behaviour persistently causes nuisance to other residents or any serious or significant act will be subject to single investigation of the formal disciplinary procedures of this paragraph.

27.2 All students are subject to the Centre's procedures and regulations relating to residence in the Centre.

27.3 A resident in breach of any health and safety policies as outlined in the Licence Agreement will be fined. The schedule of fines is as follows:

Breach	Fine amount
Unapproved guests	£50 (plus usual guest fee)
Smoking in the building, on the Terrace or in the Courtyard	£50
Propping open a fire door	£50
Activation of a fire alarm due to negligence (e.g. unsupervised cooking, not following shower procedures)	£50

27.4 Any breach as described above will also result in the instigation of the formal disciplinary procedure as detailed in sub paragraph 27.5 onwards.

27.5 A resident in breach of the Licence Agreement normally shall be issued with a written warning by the Centre Manager (except in the case of a serious or significant breach in which case notice under clause 27.8 may be served).

27.6 In the event of a further breach of the Licence Agreement a resident shall be issued with a further written warning from the Centre Manager.

27.7 In the event of a further breach of the Licence Agreement, after having received the two written warnings from the Centre Manager under sub-paragraphs 27.5 and 27.6 above, a report shall be submitted to General Secretary who shall interview the resident. After this we shall be entitled to terminate the Licence Agreement by giving not less than 14 days' written notice to the student.

27.8 In the event of a serious or significant breach, the Centre may terminate the Licence Agreement by giving not less than 7 days' written notice to the resident.

27.9 Notice will have been given by the Centre if a notice is left in the resident's room.

27.10 A resident whose Licence Agreement has been ended by the Centre in line with this paragraph 27 shall not receive a refund of accommodation fees, shall have forfeited their deposit and shall vacate the room on the date specified in the notice from the Centre with the student:

- (i) Leaving it in the condition required by this Agreement;
- (ii) Removing all possessions from the room; and
- (iii) Returning their keys to the Centre Manager.

27.11 A resident whose Licence Agreement has been ended by the Centre in line with this paragraph 27 shall not be permitted to return or visit the Centre without written permission from the Centre Manager.

28. COMPLAINTS PROCEDURE

28.1 We aim to provide service of a standard that is acceptable to all our residents and other users. If we fail to do this we want to know about it. This will enable us not only to deal with the specific problem, but also avoid it happening again.

28.2 The staff will strive to respond promptly and effectively to any complaint that is raised with them. Our complaints procedure sets out the steps to follow if you wish to take the matter further and register a formal complaint. If you would like information about the complaints procedure, please contact the office. Staff are required to observe a Code of Conduct that includes rules on personal relationships between staff and residents.

28.3 If you are not satisfied with the outcome of a complaint made to the International Lutheran Student Centre you should let staff know. You may also contact the National Codes administrator (see section 47) if you feel the Code we have signed up to has been broken.

29. SECURITY

29.1 Residents must lock their doors when they are out of the room, regardless of the amount of time they will be away. It is the responsibility of each resident to use the keypad combination lock on the entrance door to their corridor. If a corridor door or a resident's room is left unlocked, the Centre cannot bear any responsibility for any breaches of security.

29.2 We ask residents not to leave valuable items such as laptops and mobile phones unattended around the building (e.g. kitchens, TV Room).

29.3 Staff, including Duty Officers, reserve the right to enter any room without the resident's permission, for a reasonable cause. Staff will always knock first and on receiving no reply, call out as they enter the room.

29.4 **If you have forgotten your swipe card, go back outside and buzz your floor and ask one of your floor mates to let you in. If there is no response you may buzz the Duty Officer.** The office must be notified immediately if any key or swipe card is lost or stolen. A charge will be made for lost keys/swipe cards.

29.5 We urge all users of the building to exercise vigilance when entering or leaving the building. You may not prop open the front door for any reason, even if you are close by. Once again, we would like to remind you that all visitors must be met personally at the front door by the host.

29.6 Staff, including Duty Officers, are responsible for the security of the Centre and have the right to refuse entry to anyone, or require anyone to leave the Centre, without giving an explanation.

30. FIRE ALARMS

- 30.1 Please ensure that you read the fire notice in your room. There will be 3 regular fire drills during the year. Sometimes the alarm is set off by burning toast, for example. However you cannot assume that the alarm is not for a genuine fire. Therefore you must vacate the building each time you hear the alarm. Do not use the lifts when the fire alarm is ringing. **There will be a weekly test of the fire alarm on Tuesday mornings (usually at 10am).** The bell will ring for about 15 seconds and there is no need to evacuate the building (unless the bell continues to ring). If the day of the weekly test is a public holiday then there will be two tests in quick succession on the following Tuesday. **Not evacuating when the fire alarm goes off will be treated as serious misconduct and you may be asked to leave by ending your licence on not less than 7 days' notice** (please see section 13.6 on 'Early Termination').
- 30.2 Please do not use hairspray, anti-perspirant, hairdryers and straighteners near the smoke detector in your room (on the ceiling). The smoke detectors are very sensitive and can trigger the fire alarm for the whole building to go off, meaning we will need to evacuate and investigate.

31. RIGHT OF ACCESS

The Centre reserves the right to have its staff or authorised personnel enter your room from time to time to carry out day to day duties and attend to maintenance issues (usually for health and safety reasons). Where possible adequate notice will be given. Staff will only enter rooms without giving written notice in the following circumstances:

- in response to a maintenance request;
- in the case of an emergency (particularly if it is felt that residents or property are in danger);
- if activities are reported that are causing distress to other residents;
- if there is a breach of the Licence Agreement;
- if there is an urgent need to show round prospective residents; or
- if the Centre are carrying out a spot check study bedroom inspection.

SERVICES

32. LUGGAGE STORAGE

- 32.1 The Centre has a very restricted amount of space for storage of luggage for residents. The space above the window (in most rooms) and the box under your bed are intended for storage. Additionally, there is a cupboard at the end of each corridor where each resident may store one medium sized item only, provided that it is labelled with the resident's name and room number. Any items stored must be properly packed in a container which is easily moveable. Any items that do not bear a label naming a current resident may be removed and disposed of by the Centre.
- 32.2 The staircases must not be used for storage under any circumstances. Any items found in the stairs, corridors or other common areas (such as the kitchen) will be removed and will be disposed of if the owner cannot be found.
- 32.3 If you wish the Centre to store any personal belongings, items may be stored at the rate of £5 per item per week, dependant on space. If any of the items stored have combined dimensions larger than an average suitcase, you may be charged at double the rate. This service is subject to availability.

33. **BREAKFAST**

Breakfast will be served on weekdays from 7.30 to 9am; weekends and public holidays from 8.30 to 10am; and the Christmas and Easter periods from 8 to 9.30am. All food taken at breakfast must be consumed in the Terrace Room. Breakfast will not normally be served outside these times. There may be reasonable exceptions and you should contact the Housekeeping & Catering Manager to discuss. Residents are requested to clear their place setting before leaving the Terrace Room. If someone is ill and unable to come to breakfast, special arrangements can be made so please contact the office. No unauthorised persons are allowed in the breakfast kitchen. Breakfast will be charged at £3.50 per person for non-residents.

34. **RECYCLING**

34.1 The Centre operates a recycling scheme and recycles metal cans, glass, plastic, paper and cardboard. Containers for recycling cans, plastic bottles and glass are placed in the mop cupboard in each kitchen. Please recycle paper/card from your room yourself. Please do not dispose of recyclable items in the general rubbish bin. (Plastic bags can be recycled at Waitrose. Batteries can be recycled at Waitrose, Robert Dyas and in the small battery recycling bins on the streets in the area.) Small electrical items (e.g. rice cookers) can be recycled at Russell Square.

34.2 **Each week a member of each floor should bring the recycling to the garage.** Even if you do not use the kitchen or place recycling there you must take your turn. You should only recycle between 8am and 9pm so that you do not disturb the neighbours. Please note that each floor is responsible for operating its own rota. The Housekeeping & Catering Manager will print off a rota for you, if requested.

34.3 Please do not leave plastic bags or general rubbish in the garage as there is no rubbish collection from this location. Any rubbish which does not fit in your study bedroom bin should be taken to the Bin Store on the ground floor of Eding House.

35. **LAUNDRY**

35.1 The Laundry is situated in the basement. There are two washing machines, two tumble dryers and an iron available for residents to use. Tokens for the washing machine cost £2.25 and for the dryer, £1.75. There is a free spin cycle on the washing machines. Tokens can be purchased from the office only and a maximum of three tokens for each machine are allowed per person. Please read the information sheets in the Laundry regarding the use and cleaning of machines. Do not use bleach in the washing machines as it may cause damage to the clothes of residents who use the machine after you. Please use the correct washing cycle for your clothes and do not attempt to wash clothes that should be hand washed. **Please return laundry baskets immediately after you have finished with them.**

35.2 **The laundry's lost property area is only intended for clothes mislaid in the laundry. It is not to be used for dumping unwanted items of clothing.** (See section 13 'End of Residence' for details of where to take unwanted clothes.)

35.3 Housekeeping staff have priority on using the Laundry's facilities, which will usually be required on weekday mornings, in particular on Mondays and Fridays (occasionally on Saturdays during the summer period). Where there is a public holiday then Housekeeping has priority on using the Laundry's facilities the next day.

36. **MAINTENANCE**

Please put a note in the Maintenance Book (kept in the front office) if any furniture or fitting in your room, or elsewhere in the building, needs repair or is not working. If you are unable to reach the office please email the Maintenance Manager at mg@lutheran.org.uk.

Target: 4 months from becoming aware of the programme of work being necessary; one to three years for large programmes of work
<i>Please report any maintenance issues by logging them in the maintenance book (kept at Reception) or emailing Mauricio (mg@lutheran.org.uk).</i>

36.1 You are not permitted to paint or decorate the room, nor to use tape or pins to attach items to the walls or door. These cause damage for which you will be charged.

36.2 Please note that deductions may be made from your deposit to reimburse the Centre in respect of lost or damaged property.

37. **NEWSPAPERS**

Daily newspapers and magazines are available in the ground floor reception area. Please do not remove newspapers until after midnight.

38. **OTHER FACILITIES**

38.1 Residents are welcome to use the communal areas at any reasonable time, though some rooms are used for private meetings or events from time to time. This particularly applies to the lower

ground floor of Martens House. Signs will be posted on the doors when this is the case. Please note that the Chapel is open for private prayer and meditation but is the property of St Mary's German Lutheran Church and should be treated with the appropriate respect. Please do not use the Chapel as a short cut.

38.2 **Please do not rearrange the furniture in common areas (and do not collapse or move the table tennis table) and make sure you clear up after yourselves using the bins provided. You may be fined if you borrow items from common areas (e.g. sofa cushions).**

38.3 Please note that in the TV Room, watching the television takes priority over watching DVDs. The exception to this is any specially organised film event, during which we kindly ask residents **not** to play table tennis. Personal equipment should not be used in the TV Room or hooked up to the Centre's television or DVD player except plugging laptops in the HDMI cable (to watch films from your laptop on the television). You should not play pirated copies of DVDs in the TV Room.

38.4 It has become a tradition for residents to hold birthdays, graduation, farewell and other parties in the Courtyard, Club Room and Games Room. **All such events must be booked with the office (to avoid clashes with other events).** At present, there is no charge for room hire as it is expected that the majority of guests will be other residents (maximum 25 people in attendance, of which only a quarter may be from outside the ILSC). **The organiser(s) (that is the person who books) and/or anyone whose name appears on the invitations is/are responsible for the party and must complete a booking form and pay a £40 deposit to the office.** This will be returned after the event if the area booked is left as it was found. During such events, the noise must not disturb neighbours within and around the Centre; and all noise (especially music) **MUST** cease at 11pm. Outside guests should be supervised by the organiser at all times. Organisers must ensure that the rooms are clean and tidy before leaving and must see all outside guests off the premises. They remain responsible for these rooms and the events they have organised until the last guest (internal or external) has gone. Duty Officers have the right to shut off music and end the event if it is disturbing other residents or neighbours, as well as the right to ask any non-residents to leave the premises.

38.5 It is not permitted to use floor kitchens for large parties and the kitchen should always be open to all residents of the floor. The maximum number of people allowed in the kitchen at any one time is 11, of whom 3 can be guests from outside.

39. **POST & PARCELS**

39.1 Post may be collected from your mail box in the lobby. Please check your mail box daily as there may be important letters / information from the office. Parcels which do not fit in mail boxes, or require a signature, will be kept in the office and you will be notified of their arrival via email. If you want to post a letter, there are post offices at Marchmont Street (inside the shop 'Londis') and opposite King's Cross station.

39.2 We can only receive reasonably sized parcels. Please check with staff if you require further information.

39.3 Please also see section 13 'End of Residence' for information about what happens to your post after your stay has ended.

40. **BICYCLES**

- 40.1 A limited number of residents can register with the office to keep bicycles in the Bike Store on the Terrace. (Bicycles left in any other area of the Terrace or building will be removed and there will be a charge for this.) A £45 deposit will be required for the keys. This deposit is refunded when the keys have been returned. Spaces in the Bike Store are for residents only. Unregistered bicycles will be removed and disposed of if not claimed. There will be a charge for this.
- 40.2 You must take your bicycle with you upon final departure. You will be charged £50 from your security deposit if you fail to do so. You are not permitted to leave the bicycle for another resident to use unless you give advance notice, in writing, to the office.

41. **LINEN CHANGE**

We will provide you with a duvet cover, pillowcase, sheet and towel which you will be responsible for laundering during your stay. You will be expected to return them in reasonable condition at the end of your stay, although **you do not need to wash them on the day of departure**. If you need any information about how to wash these items, please contact the Housekeeping & Catering Manager. You can hire a second set of linen for a non-refundable charge of £5. Again, please contact the Housekeeping & Catering Manager.

PASTORAL

42. **SOCIAL ACTIVITIES**

- 42.1 Part of what makes ILSC special is that our residents have chosen to contribute actively to the life of the Centre. This may be demanding, but it is also hugely rewarding! Long-term residents typically contribute in one of the following areas: hospitality (e.g. organising or helping with events, catering, washing up), chapel (supporting the spiritual life of the Centre, e.g. through music, helping set up, leading a time of prayer), outings (e.g. leading a hiking trip, theatre visit, or sports activity). The Chaplain and office help organise activities. Information about events is distributed via email, Facebook and the lobby notice board.
- 42.2 The ILSC is a multi-cultural community with a Lutheran Christian ethos. To maintain and deepen this community, all long-term residents commit:
1. To contributing actively to community life at the Centre (see previous paragraph)
 2. To attending the annual weekend away on 15/16 October 2016
 3. To attending regular meetings/events with floor mates or other residents, up to once a month.
- 42.3 Board games are available in the TV Room for residents to borrow.
- 42.4 You can find our facebook page at www.facebook.com/ILSCofficialpage or by searching for 'International Lutheran Student Centre official page' or clicking on the badge on our website (www.ilscentre.org.uk). You do not need to be a member of Facebook to view the page.
- 42.5 We have also arranged block membership of International Students House (ISH) for all long-term residents. ISH is a unique social, cultural and recreational centre that provides a wide programme

of events for students. ISH membership allows you access to the following facilities: a restaurant, bar, cyber café, travel office and reduced membership to the fitness classes. For a small fee you can also join the Travel Club which offers great value trips to many destinations in the UK and Europe. Long-term residents should receive an ISH membership card and information leaflet soon after arrival at the ILSC. If you do not, please contact the office. ISH is located at 229 Great Portland Street, W1 (closest tube is Great Portland Street).

43. **KEEPING HEALTHY**

43.1 One of the great advantages of coming to the UK as an international student is that you are entitled to free health care if you are on a full-time programme lasting six months or more. (You have to be in the UK for more than 12 months for NHS hospital care.)

43.2 **If you have not already done so you should register with a doctor as soon as possible. Do not wait until you are ill.** Gower Street Practice (20 Gower Street, WC1E 6DP, Tel: 020 7636 7628) has close links to some of the colleges and schools of the University of London and will accept ILSC residents. UCL, Imperial College and LSE have their own health centres. If you decide not to register with any of these you should register with any doctor close to the Centre. A list of local doctors is displayed on the Centre's notice-board.

43.3 To register, you will need to visit the doctor's receptionist during consulting hours, taking a letter from your institution as proof that you are a student, as well as proof of your address. You should ask to be added to the list of NHS patients where consultations are free. To avoid paying the full (private) cost of treatment make sure the doctor knows you want treatment from the NHS. If the doctor accepts you as a patient, you will be sent a medical card through the post which will include your NHS number. If the doctor cannot accept you, try elsewhere or contact the local Health Authority.

43.4 Please note that a doctor will normally only agree to visit you at home in emergencies, when you are sick and confined to bed and cannot get to surgery.

43.5 **NHS 111 Service** (dial 111 from your telephone) operates a 24-hour nurse advice and health information service, providing confidential information on:

- *What to do if you are feeling ill*
- *Particular health conditions*
- *Local healthcare services, such as your nearest doctors, dentists or late night opening pharmacies*

You can also use the NHS Symptoms Checker online: <http://www.nhs.uk>

43.6 You can find lists of dentists who give NHS treatment at www.nhs.uk. You should ask the dentist whether they accept NHS patients - many do not. The dentist may wish to conduct the same process for checking your entitlement to NHS care as a GP would. If you already have a GP, then the dental practice should contact the GP to ensure that they have undertaken an entitlement check. If accepted, you will need to give the dentist the NHS number on your medical card. If you are entitled to NHS treatment, you still have to make a contribution towards the cost of your dental treatment. If you are not entitled to NHS treatment, or the dentist you choose does not take NHS patients (some dentists will only accept private patients), you will have to pay for the full cost of your treatment.

43.7 **Emergencies:** If there is an emergency and you are taking medicines or have a medical condition (e.g. an allergy to penicillin, asthma, diabetes etc.) which you would like healthcare services to be aware of, please let us know in confidence and we will pass this information to them should an emergency occur. Your local Accident & Emergency department is located at **University College Hospital's (UCH), Euston Road, NW1** (at the corner of Gower Street). Call **999** (or 112) for an ambulance if necessary.

44. **CHAPLAIN**

44.1 The Centre has a Chaplain to promote the residents' welfare and support and care for their spiritual needs. The Chaplain is Lutheran but serves all residents regardless of their religious or non-religious backgrounds. The Chaplain will be around for breakfast a couple of days a week but you are also very welcome to contact him/her for an individual conversation. Everything said will be treated as confidential.

44.2 The Centre provides opportunities for all to discover or deepen the Christian faith. Christian worship, following the Lutheran rite, is conducted in the Centre's Chapel, on the first and third Sunday of the month (usually at 7pm) during term-time. Further times of worship are organised regularly; please see the notice board for details. The Meditation Room (lower ground floor, in the far left corner of the Chapel) is available for residents and staff to have a personal time of prayer or simply some quiet time.

44.3 As a student in a new place you may find yourself feeling homesick, anxious and maybe even depressed. All of these are normal responses to being in a new place without your normal supports around you. Feeling anxious is nothing to be ashamed or embarrassed about, but it is important to know that there are people you can talk to in confidence before things get too stressful. These could include the Chaplain (either here or at your college, or other local clergy: please see the notice board for their contact details), your tutor or supervisor or student services. If you are really concerned, speak to your doctor. You might also like to look at www.studentsagainstd Depression.org and www.nightline.org.uk.

44.4 The Chaplain's email is: chaplain@lutheran.org.uk. The telephone number is 020 7554 9754. In an emergency, the Chaplain can be reached via the duty officer.

45. **WORKING AT THE CENTRE**

Occasionally conference hosting staff, conference furniture arrangers, part-time kitchen staff, cleaning staff or Duty Officers are required by the Centre. Residents who have permission to work in the UK may apply for the posts. Nationals of the European Economic Area and their dependants are permitted to work. For other nationalities, persons who are in the UK with the immigration status of student are permitted to work part-time if their passport is stamped with a restriction on employment rather than a prohibition. (If in doubt, ask at the office). Those with the status of visitor are prohibited from working. If you are permitted to work and are interested in jobs that may become available in the Centre, please contact the Centre Manager for Duty Officer posts; the Housekeeping & Catering Manager for breakfast or housekeeping posts; or the Conference Manager for conference posts.

46. **RESIDENTS' SURVEY**

Each year we will email a link to an online survey where you can comment on the facilities and services provided by the Centre. You can at any time give comments or suggestions to the Centre's staff.

47. **NATIONAL CODE OF STANDARDS**

47.1 The National Codes of Standards are schemes which:

- providers of larger student developments voluntarily join and in doing so commit themselves to maintaining a minimum set of professional standards for their accommodation and their accommodation management
- enable providers of this kind of accommodation to show that they follow professional standards of service, and to badge themselves accordingly
- provide a yardstick to help students work out management and property standards
- have established a system for verifying that standards are actually being complied with

47.2 The purpose of the Codes is to provide housing suppliers (owners and managers) and their tenants with a framework of transparent undertakings about how they are going to do business with one another.

47.3 The standards chosen for the Codes reflect a balance of common sense obligations and responsibilities between landlords and tenants. They also reflect established best practice in the sector and are based on what an average student and their parents would expect of a good quality housing supplier. The standards are supported by the voice of students themselves through the National Union of Students.

47.4 For both landlords and tenants, Code compliance means that:

- both parties can enjoy the benefits of good standards of housing management and practice
- misunderstandings and disputes are reduced
- where problems do occur, they can be promptly resolved.

47.5 There are two Codes: one for developments owned and managed by education establishments and one for developments managed by private operators. The purposes and objectives are the same but they address the specific needs and characteristics of the two different types of provider. The International Lutheran Student Centre is signed up to the code for developments managed by private operators.

47.6 The ANUK/Unipol National Codes are supported by the National Union of Students (NUS), the Department of Communities and Local Government (DCLG), the Welsh assembly, the Accreditation Network UK (ANUK), the Association for Student Residential Accommodation (ASRA), the Chartered Institute of Environmental Health Officers (CIEH), the Association of College and University Business Officers (CUBO), Universities UK (UUK). Its secretariat is based in Leeds.
